CAREER OBJECTIVE

To build a successful career as a Web Developer by using my skills in React, ExpressJs, MongoDB, NodeJs and modern frameworks to create user-friendly, responsive, and engaging web applications. I am eager to contribute to a dynamic team, learn new technologies, and grow as a developer while delivering impactful solutions that meet user and business needs.

SKILLS

- **Language:** HTML, CSS, JavaScript
- **Framework/Libraries:** React, Nodejs, Tailwind
- **Database:** MongoDB, Mongoose ODM

EDUCATION

Diploma In Engineering, Computer Science & Technology
City Polytechnic Institute Khulna

2021 – 2025

PROJECTS

ClassNet – Virtual Classroom Platform (Team Project)

[Live ↗](#) | [Client ↗](#) | [Server ↗](#)

Technology Used: React, Nodejs, ExpressJs, MongoDB, MongooseODM, TailwindCSS, Firebase, JWT

An interactive virtual classroom platform aimed at enhancing online teaching and learning experiences for both students and teachers.

- **Messaging System:** Provides a real-time chat system enabling seamless communication between students and teachers within each class.
- **Calendar Integration:** Includes a calendar feature for displaying key dates, such as assignment deadlines and exam dates.
- **Payment Gateway:** Integrates a payment feature for premium features, allowing schools and teachers to upgrade and create additional classes.

Employee Management System

[Live ↗](#) | [Client ↗](#) | [Server ↗](#)

Technology Used: React, Nodejs, ExpressJs, MongoDB, TailwindCSS

A comprehensive Employee Management System designed to streamline and automate HR processes.

- **Role Management:** Allows admin to promote employees to HR, adjust salaries, and terminate employment.
- **Payroll Processing:** Enables HR to process and send salaries to employees efficiently.

Technology Blog Site

[Live ↗](#) | [Client ↗](#) | [Server ↗](#)

Technology Used: React, Nodejs, ExpressJs, MongoDB, TailwindCSS

A blog site dedicated to sharing the latest trends and insights in technology.

- **Content Management System :** Enables easy creation, editing, and publishing of blog posts, enhancing content management efficiency
- **Commenting System:** Allows users to leave comments on posts, facilitating community engagement and discussion

CERTIFICATION

- **Complete Web Development Course** - Programming Hero "[Certificate ↗](#)"
- **Presentation & Public Speaking** - 10 Minute School "[Certificate ↗](#)"
